Description
Glasswasher, Underbar Type, low temp., clockwise rotation
Glasswasher, Underbar Type, low temp., straight conveyor
Glasswasher, Underbar Type, low temp., straight conveyor
Stainless steel splash guard for CG4
Stainless steel splash guard for CG6
Stainless steel back panel for CG4, shipped w/ machine
Stainless steel back panel for CG6, shipped w/ machine
Washdown hose
Casters, set of 4; 2 locking, 2 stationary
Drain tray & waste collector for pass thru glasswasher
Quick Disconnect Package (Includes Casters)
Dishwasher, Undercounter, built-in 70° rise booster
Dishwasher, Undercounter, built-in 70° rise booster
Dishwasher, Undercounter, built-in 70° rise booster, heat recovery
Dishwasher, Undercounter, built-in 70° rise booster, heat recovery, low clearance
Dishwasher, Undercounter, Low Temp, Fill and Drain w/o Booster
ION scale prevention system (un-mounted)
Flat or Peg
Provides nominal 22" working height (set of 4) (UH-130B, UH-230B, UH-330B)
Provides nominal 32" working height (UH-130B, UH-230B, UH-330B)
Water pressure regulating valve (unmtd) door/rack (standard on UH230B)
For use with undercounters (un-mounted)
Undercounter 3-phase wiring (Pre-wired at factory)
Casters, set of 4; 2 locking, 2 stationary
For undercounters
For undercounters
Available on UH130B and UH230B
Drain board top, un-mounted
Door Interlock Switch
Dishwasher, Door Type, 70 degree rise, electric
Side panels (standard on DH-6000)
Dishwasher, Door Type, electric (Low Temp)
Dishwasher, Hood Type, without booster
Dishwasher, Hood Type, 70 degree rise, electric
Dishwasher, Hood Type, Ventless Heat Recovery
DH-6000T (No Booster)
DH-6000T (With Booster)
Dishwasher, Extended Hood, Ventless Heat Recovery

For use with door machines (un-mounted)
Flat or Peg
Sheet Pan Rack
Water PRV (un-mounted) standard w/booster
Shock Arrestor (Un-Mounted)
Flanged Feet (DH-6000/DH-6000T)
Splash Shield (For Corner DH-6000-mounted to machine)
Splash Shield (For Corner DH-6000T-mounted to machine)
ION scale prevention system (un-mounted)
Door Interlock Switch
Two point electrical kit (factory wired)
Detergent & Rinse-Aid pumps mounted
Provides remote access service & diagnostics by Champion technical support
Dishwasher, Rack Conveyor, 44" single tank
Dishwasher, Rack Conveyor, 44" single tank w/22" prewash
Dishwasher, Rack Conveyor, 44" single tank, vent-less
Dishwasher, Rack conveyor, 44" single tank w/ 22" prewash, vent-less
Dishwasher, Rack conveyor, 44" single tank w/ 36" prewash, vent-less
Dishwasher, Rack Conveyor, 44" single tank w/front feed prewash
Dishwasher, Rack Conveyor, 44" single tank w/36" prewash
Dishwasher, Rack Conveyor, 54" single tank w/ dual rinse
Dishwasher, Rack Conveyor, 54" single tank w/22" prewash, dual rinse
Dishwasher, Rack Conveyor, 54" single tank, front feed dual rinse
Dishwasher, Rack Conveyor, 54" single tank, 36" prewash dual rinse
Dishwasher, Rack Conveyor, 64" two tank
Dishwasher, Rack Conveyor, 84" two tank
Dishwasher, Rack Conveyor, 64" two tank w/ 22" prewash
Dishwasher, Rack Conveyor, 84" two tank w/ 26" prewash
Dishwasher, Rack Conveyor, 64" two tank w/26" front feed prewash
Dishwasher, Rack Conveyor, 84" two tank w/26" front feed prewash
Dishwasher, Rack Conveyor, 64" two tank w/ 36" prewash
Dishwasher, Rack Conveyor, 84" two tank w/ 36" prewash
90 degree motorized rack advance curve for UN-LOADING
64" roller conveyor table(stationary, load or unload)
84"roller conveyor table(stationary, load or unload)
Cantilever sideloader, no hood 24"
Cantilever sideloader, no hood 30"
SST closed steam coil or injector w/thermostat & low water cutoff for 44/54 series
SST closed steam coil or injector w/thermostat & low water cutoff for 64 & 84 series
Heat recovery option for rack machine
Blower Dryer
Flat or Peg

Rack Sheet Pan
Insulated Tray/Steam Table Pan Rack
Stainless steel vent cowls, with 7" stack and locking dampers
Extended vent cowls, with 7" stacks, locking dampers and external curtain
Water pressure regulating valve (unmtd)
Table limit switch (unmounted) (recommended on all conveyors)
Splash shield (set) (un-mounted)
Shock Arrestor (Un-Mounted)
Drain tempering kit (Un-mounted)
Electric, Built-in, 40° or 70° rise, booster
84 Series Models, Electric Booster, Built-in, 40° or 70° rise
Steam booster, built-in, 40° or 70° rise
Extended vertical clearance through machine
Flanged Feet
Detergent & Rinse-Aid pumps mounted
Provides remote access service & diagnostics by Champion technical support
Pot & Pan Washer, Rack Type, 25 rack/hr.
steam coil tank heat
1/3 HP Exhaust fan
Rack, bake sheet SST for PP28
Rack, basket SST for PP28
Rack, counter pan SST for PP28
Rack, general utility SST for PP28
Water pressure regulating valve (un-mounted)
Steam pressure regulating valve (un-mounted)
Steam booster heater built in 40° rise
Steam booster heater, externally mounted, 70° rise
Electric booster heater, built in, 40° rise
Electric booster heater, externally mounted, 70° rise
Pot & Pan Washer, 10 pan capacity, front load,electric, 5hp
Pot & Pan Washer, 10 pan capacity, front load, steam, 5hp
Pot & Pan Washer, 12 pan capacity, corner, electric, 7 1/2hp
Pot & Pan Washer, 12 pan capacity, corner design, steam, 7 1/2 hp
Pot & Pan Washer, 12 pan capacity, straight-thru, electric, 7 1/2 hp
Pot & Pan Washer, 12 pan capacity, straight-thru, steam, 7 1/2hp
Pot & Pan Washer, 20 pan capacity, front load, electric, 7 1/2hp
Pot & Pan Washer, 20 pan capacity, front load, steam, 7 1/2hp
Pot & Pan Washer, 20 pan capacity, straight-thru, electric, 7 1/2hp
Pot & Pan Washer, 20 pan capacity, straight-thru, steam, 7 1/2hp
Pot & Pan Washer, 36 pan capacity, front load split door, elec.
Pot & Pan Washer, 36 pan capacity, front load split door,steam
All models except PP-20-PT, PP-36

For PP-20-PT & PP-36
Drain water tempering kit (PP-28) (un-mounted)
Stainless steel nozzles (All Pan washers)
Drain water tempering kit (All Pan washers) (un-mounted)
Single phase for PP-10
Single phase for PP-12-PT, PP-12-CPT, PP-20
All models except (PP-10, Lift Door Option)
SS pumped rinse system w/electric, gas, steam coil booster heater (PP-36)
Utensil rack with hold-down lid for pot, pan, & utensil machines
SS mesh with hinged lid for pot, pan & utensil machines
Molded plastic basket for small items. Pot, pan & utensil machines
SS insert for tray/sheet pans (PP-10, PP-20, PP-36)
SS insert for muffin/cake pans (PP-10, PP-20, PP-36)
Tray/Sheet pan rack (PP-10, PP-12-PT, PP-12-CPT, PP-20, PP-20-PT)
SS muffin/cake pan rack (PP-10, PP-12-PT, PP-12-CPT, PP-20, PP-20-PT)
Waste System, Pulper, PLC, HMI, w/recirc pump, 500 lb/hr capacity, 5Hp
Waste System, Pulper, PLC, HMI, w/recirc pump, 1000 lb/hr capacity, 7Hp
Grabber Magnets (SET)
Remote Start-Stop Station (unmtd) for Waste Handling Systems
Anti Vibration Feet for Waste Handling Systems
Hose Reel (unmounted) 30 ft. for Waste Handling Systems
Waste System, Pulper, free-standing design, 500 lb/hr capacity, 5Hp
Waste System, Pulper, free-standing design, 1000 lb/hr capacity, 7Hp
Automatic shutdown timer (P5-24 & P7-30 only)
