GENERAL INFORMATION/TERMS & CONDITIONS

GENERAL INFORMATION

Orders are subject to acceptance. Verbal orders must be confirmed in writing with all necessary information, such as IMC model number, sizes, quantities and/or approved shop drawings. A detailed order acknowledgement is provided for each order. Contact IMC immediately if there are discrepancies.

TERMS & CONDITIONS

Prices: Prices will be those in effect at the time of sale. Sales, use and other taxes and levies are the responsibility of the buyer. By purchasing IMC/Teddy products, the buyer accepts these terms of sale as well as the design, specifications and associated drawings, unless otherwise mutually agreed in advance. All Intellectual Property rights are retained by IMC/Teddy. Quotations, unless otherwise stated, are for 60 day acceptance.

Shipments are FOB Amityville, NY

Terms: Merchandise shipped open account to those firms furnishing satisfactory credit references. Terms are 1% Discount - 10 days; Net - 30 days. Discount and discount dates are clearly marked on the top right corner of each invoice should you be entitled to any discount, subject to current status of your account and/or approved credit. All other orders are Cash in Advance (C.I.A.) or Cash on Delivery (C.O.D.). We gladly accept all major Credit Cards at IMC's discretion. Credit Card payments are not entitled to any Cash Discount.

Design: IMC reserves the right to make design changes or specific product changes without notice.

DRAWINGS

Standard IMC products, identified by model number and size as shown on spec sheets, do not require drawings. If submittal drawings are requested, IMC will not proceed with production schedule without prior written approval, unless otherwise advised.

STOCK: Stock items ship within 24 hours.

QUICK SHIP

The following items will ship within 48 hours or sooner:

- All Floor Troughs 10ft & under with (1) standard drain in center of Trough
- All Sinks except Scullery Sinks - Multi-Station Hand Sinks

LEAD TIMES

Lead times for production orders vary with schedule requirements and product complexity. Contact factory at time of release for schedule.

CANCELLATIONS/CHARGES

All sales are final. Cancellations are not accepted on orders in transit or on customs jobs. Standard orders that are cancelled and are already in process or shipped may be subject to a 25% restocking fee. No product may be returned without an RGA issued by IMC.

Orders, once engineered and scheduled, are subject to cancellation charges as follows:

Engineering	25%
Material Processed	60%
Assembled	100%

Special Fabrications and orders entered into production schedule may not be subject to cancellation.

Cartage: Shipments will be made via carrier chosen by IMC, unless otherwise instructed by customer in writing. Freight and shipping charges are the responsibility of the buyer.

GUARANTEE

All products are guaranteed against defect in workmanship and material for a period of one year from date of shipment, provided such defects do not result from abuse, unreasonable usage or other conditions beyond IMC's control. IMC's liability shall not exceed the cost of material furnished. Inspect products fully prior to installation. IMC's sole obligations with respect to product shall be to factory repair, correct or replace FOB Factory, at IMC's discretion. Claims for defective or rejected items must be made in writing by the buyer to IMC within five (5) days after receipt of shipment.

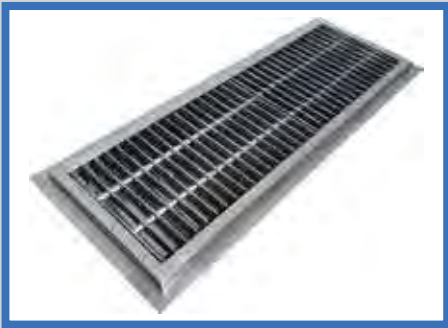

No unauthorized back charges will be accepted.

LIABILITY

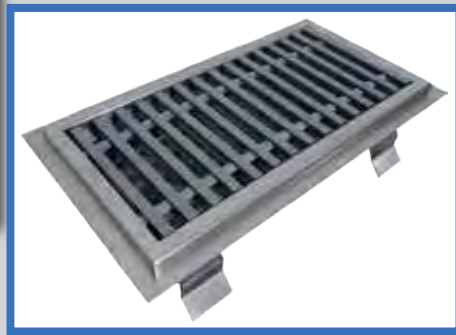

IMC shall not be liable for failure to make deliveries due to conditions beyond its control such as fires, strikes, acts of God, government priorities, etc.

CUSTOM FLOOR TROUGHS

IMC/Teddy's Custom Floor Troughs offer a distinctive alternative to traditional shaped floor troughs.

These type 300 series S/S floor troughs are available in a variety of shapes & sizes to meet the unique characteristics & parameters of your project. Please provide a basic sketch & specifications so we can provide a proper solution for your application.

Custom T-shaped Trough (Box Drain, Flange Below Floor & Extension)

Custom Beer Shaped Trough Shown w/ SG Grating

Floor Trough w/ Extensions & Seepage Flange

Prices subject to change without notice.

CFT, FT, ASFT & SFT SERIES COMBINATION FLOOR PAN & TROUGH

- 14GA Type 300 Series Stainless Steel
- Integral Covered Corners
- Integral Pitch Towards Waste Outlet
- Includes Perforated Waste Basket
- Integral Pan Extends from Trough to Form a Pitched Base for All Equipment in the Area
- Rear of Pan is Turned Up to the Wall & Side Ledges Slope to the Trough
- Continuous Stiffeners Stabilize the Pan for Extreme Temperatures & Anchor Straps Secure Unit to the Floor
- Pan is Integrally Sloped for Complete Drainage to Trough
- Protects Floor from Corrosion Damage & Provides a Stable Base for Heavy Equipment
- Picture Shown with Custom Trough Size
- See Examples on Next Page

Shown w/ Notched Floor Trough & Grating Support Bars

FPT MODEL PRICING

14GA Standard - Measure Overall Pan Length & Width from Plans

FPT-SG (Total Square Feet) = L x W

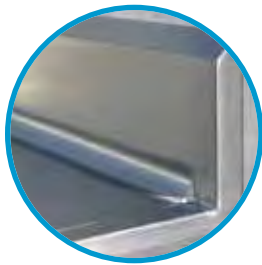

Base Price* = \$10,790 + (Square Feet) x (\$379). Includes Pan, Trough & Grating

Weight - 10 lbs/sq. ft

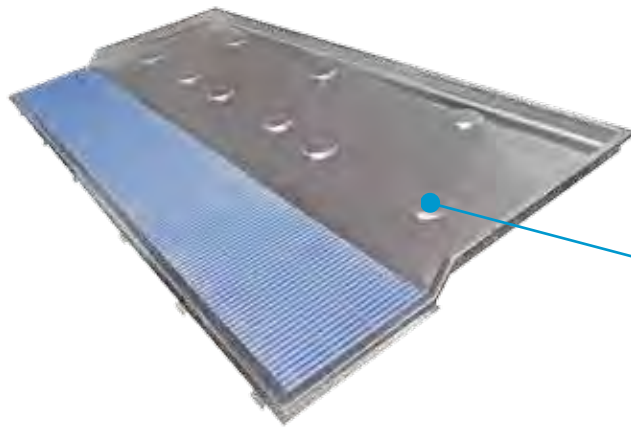

Description	Pricing
For Security Add:	\$439/ft of Length of Trough
For ASFT Trough Add:	\$131/ft of Length of Trough; 14 lbs/sq. ft.
Plinth Blocks	\$110/Equipment
Weep Holes/Flanges	\$199/ft; 8 lbs/sq. ft.
In-Pan Extensions	\$1,055
Side Extensions	\$1,536
Outside Extensions	\$789
12 Gauge	Add 10%
Each Weld per Extension	\$722
Drain Cover	\$93/ft
Deduct for PFG Grating	\$155/ft
48" Wall Flashing	\$397/ft
77" High Wall Panels w/ Divider Strips	\$323/ft
Stainless Steel Insulated Wall Panels w/ Divider Strips	\$146/sq. ft
Grating Options	
Banded Grating	\$74/ft
ADA Subway Grating - Up to 18" Wide	\$146/ft
ADA Subway Grating - 18" to 30" Wide	\$196/ft
Anti-Splash Subway Grating - Up to 18" Wide	\$146/ft
Anti-Splash Subway Grating - 18" to 30" Wide	\$196/ft

Prices subject to change without notice.

*Please indicate width of trough in description. Ex: FPT/SG-1272-48 (48" wide x 72" long pan w/ 12" trough & subway grating)

CUSTOM GRATINGS

IMC/Teddy's Custom Gratings easily complement your specially shaped floor troughs to fit your project.

These unique gratings are available in a variety of shapes & sizes to meet the demands of your project. Custom fiberglass & stainless steel gratings are available. Please provide a basic sketch & specifications so we can provide a proper solution for your application.

Custom L-Shaped Grating
(Model #SQ)

Model # SGAS Grating
Shown w/ Corner Notch

Custom T-Shaped Grating
(Model #PFG-ADA)

Prices subject to change without notice.

ADDITIONAL OPTIONS

BANDING for all size gratings; not available for fiberglass grating

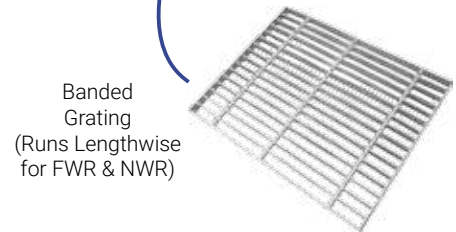

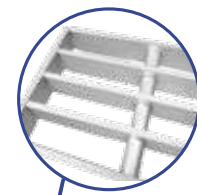

- ADD: \$74/ft.
- 12GA Square Perforated Grating 1" x 1" (SG-PR): Use SG Grating Prices
- SG-ATS - See Page 24

MISCELLANEOUS

- ¼" Radius Corners on SG Grating ADD: \$146/ft.
- Extra Polishing on SG Grating ADD: \$146/ft.
- Grating Ledge on (4) Sides of Trough ADD: \$215
- 1½" x 1½" x 3½" High S/S ADD: \$215
- Angle Iron Leg with Adjustable S/S Bolt Foot & Locking Nut
- Hinged Grate ADD: \$189
- Handle for Grating (per section) ADD: \$189

GRATING ONLY ORDERS (trough by others)

- Add: 25% to Grating Price
- (Excludes PFG, PFG-ADA & Chemgrate)

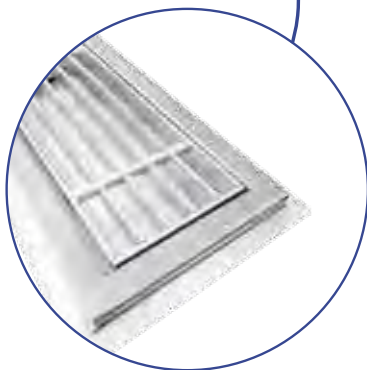

Banded Grating
(Runs Lengthwise for FWR & NWR)

Model #SG-PR
Perforated Grating

Model #FWR-36
Shown w/ SG
Banded Grating

HANDS-FREE HAND SINKS

IMC/Teddy's Hand Sinks are ready to be converted into a 100% fully hands-free system to aid your facility's hygienic practices.

Equip yours with foot or knee pedal valves to eliminate the risk of spreading germs & bacteria. Electronic faucets are also available to decrease contact points on your hand sink.

See [pages 66-68](#) for a complete list of hands-free accessories.

CCA-L MODEL

CFCR SERIES

MODULAR SERVING SYSTEM

GENERAL SPECIFICATIONS

SIZE & SHAPE

Prior to fabrication, the Food Service Equipment Contractor must provide necessary measurements & submit individual counter sizes to equipment manufacturer. Dimensions should include adjacencies to nearby equipment, as well as the necessary clearances for equipment delivery.

CONSTRUCTION STANDARDS

Top: 16GA Stainless Steel, Type 300 Series ($1^{18}/8$) with 2" channel edge. Polished to a #4 finish with all corners welded, ground & polished. S/S channel bracing included.

Body: Frames are 14GA Stainless Steel "Integral Pylon" construction with multi-formed vertical corner uprights fully welded for rigidity. Panels/Apron are 18GA S/S welded to framework. 10" apron is included on operators side only.

Casters: 5" heavy duty double ball bearing swivel casters. (2) casters to be fitted with brakes.

Interlocking Device: As required, latches with releases are provided to join units together.

Heating Units: Each hot food well has a 1200 watt element & is furnished with a control thermostat with an "off" position and a pilot light. A 5 ft long cord is provided with the counter. Hot food wells are UL Listed & meet NSF requirements.

Ice Pan: Ice pan to be 6" deep coved corner stainless steel insulated construction. Pitched to $3/4$ " brass drain with shut off valve. Removable stainless steel perforated false bottom included.

Refrigerated Cold Pan: Cold pan is a refrigerated self contained unit with a 6' cord and plug. Cold pan distributes cooled air over the food as well as under the display bottom. A white bottom display is also included for crocks, pans, etc. – this bottom gives the look of frost & ice with sanitary conditions. Food temperatures are held below 41 degrees in ambient temperatures of up to 86 degrees. The cold pan meets UL & NSF 7 requirements.

Cold Pan with Refrigerated Base: Self contained refrigerated cold pan for food display. A blower is used to cool the base compartment when used for cold food storage. Insulated door(s) are included.

Undershelves: A full depth middle (optional) & bottom undershelf of 18GA, Type 300 Series stainless steel.

Protector Cases: Stainless Steel with (Schools: Safety Glass) Plexi-glass sneeze guard for both High Shelf or Double Deck Display Case. Fluorescent lighting full length of display case(s) is optional/available.

Electric: Each counter to have a cord and plug connection for all electric components of the counter, including protector cases when required.

Prices subject to change without notice.

ABOUT US

IMC Teddy has been manufacturing stainless steel food service equipment for over 60 years in Amityville, Long Island, New York. Our equipment is found in institutional dining facilities, restaurants, hotels, prisons, schools, casinos & anywhere there is a kitchen. Our facility is equipped with the latest laser cutting technology, CAD/CAM bending, CAD design & current TIG/MIG welding & polishing.

Skilled engineers & technicians ensure the best possible product quality & performance, reliable functionality & top-notch appearance. Knowledgeable sales representatives & factory service personnel ensure immediate response to customer needs.

Our product design team scouts for new ideas & technology, consults regularly with the consulting design field, customers & the

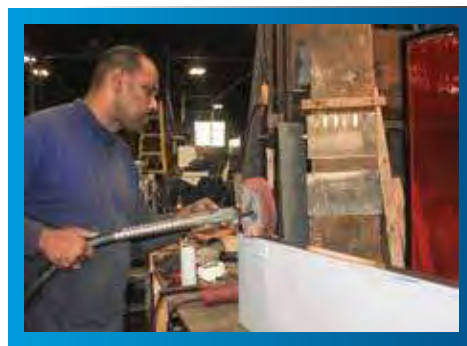

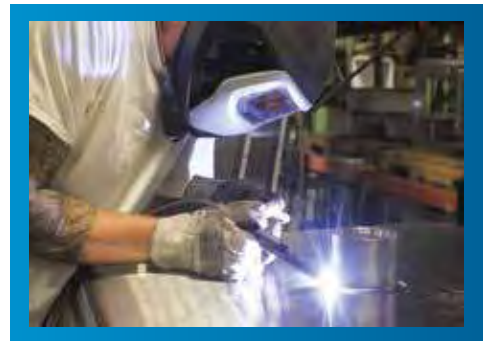

national grid of sales personnel for new & innovative products that fill the needs of an ever changing landscape of building design & regulatory aspects of its products. All of this is an effort to comply with the latest regional, national & international requirements.

IMC's product line has been greatly expanded over the years. From our well known Floor Troughs & Gratings, Floor Pans, Hand Sinks, Utility Sinks, Shelving Systems, Cabinets, Carts, Worktables, Dishtables, to our not so well known products of the future. IMC/Teddy is more than just Troughs & Gratings. We supply solutions & efficiency for your entire kitchen.

The IMC Team looks forward to serving you for many more years to come with new products, great service & high quality standards.

Thank you for choosing us to fulfill your requirements!
